DETAILED ACTION

1. Claims 1-28 are allowed.
2. This is decision on the petition filed May 03, 2005 to CORRECT INVENTORSHIP UNDER 37 CFR 1.48(a) INVENTOR'S DECLARATION.
3. The petition is **GRANTED**.
4. § 1.48 Correction of inventorship in a patent application, other than a reissue application, pursuant to 35 U.S.C. 116.
 - (a) Nonprovisional application after oath /declaration filed . If the inventive entity is set forth in error in an executed § 1.63 oath or declaration in a nonprovisional application, and such error arose without any deceptive intention on the part of the person named as an inventor in error or on the part of the person who through error was not named as an inventor, the inventorship of the nonprovisional application may be amended to name only the actual inventor or inventors. If the nonprovisional application is involved in an interference, the amendment must comply with the requirements of this section and must be accompanied by a motion under § 1.634. Amendment of the inventorship requires:
 - (1) A request to correct the inventorship that sets forth the desired inventorship

Art Unit: 2121

change;

(2) A statement from each person being added as an inventor and from each person being deleted as an inventor that the error in inventorship occurred without deceptive intention on his or her part;

(3) An oath or declaration by the actual inventor or inventors as required by § 1.63 or as permitted by §§ 1.42, 1.43 or § 1.47;

(4) The processing fee set forth in § 1.17(i); and

(5) If an assignment has been executed by any of the original named inventors, the written consent of the assignee (see § 3.73(b) of this chapter).

(c) Nonprovisional application —inventors added for claims to previously unclaimed subject matter . If a nonprovisional application discloses unclaimed subject matter by an inventor or inventors not named in the application, the application may be amended to add claims to the subject matter and name the correct inventors for the application. If the application is involved in an interference, the amendment must comply with the requirements of this section and must be accompanied by a motion under § 1.634. Amendment of the inventorship requires:

(1) A request to correct the inventorship that sets forth the desired inventorship change;

(2) A statement from each person being added as an inventor that the addition is necessitated by amendment of the claims and that the inventorship error occurred without deceptive intention on his or her part;

(3) An oath or declaration by the actual inventors as required by § 1.63 or as

Art Unit: 2121

permitted by §§ 1.42, 1.43, or § 1.47;

(4) The processing fee set forth in § 1.17(i); and

(5) If an assignment has been executed by any of the original named inventors, the written consent of the assignee (see § 3.73(b) of this chapter).

5. Petition to CORRECT INVENTORSHIP UNDER 37 CFR 1.48(a)

INVENTOR'S DECLARATION **GRANTED** since all requirements for correcting inventor under 37 CFR 1.48(a) have been met.

6. The following is an examiner's statement of reasons for allowance: the prior art of the record fails to teach or fairly suggest in combination with the other elements and features of the claimed invention regarding claims 1-28, a method and computer program of representing control functions in a user application providing a plurality of control palettes representing a set of control data and/or control functions of the user applications comprising: generating a first stashed palette group in response to the first user input, the first stashed palette group having an active state and an inactive state wherein the active state including an expanded view of the group of control palettes wherein the expanded view including a representation of at least a portion of the control data and/or control functions of one or more of the group of control palettes, arranged in a floating, non-modal window that covers a portion of the user interface in an area proximate to the first location and the inactive state including a collapsed view of
